I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I do not want to be restricted as to where I can buy my hormone prescriptions. I tried local pharmacies but still experienced menopausal symptoms. It wasn't until my doctor found an out of state pharmacy with a wider range of ^{products} ~~choices~~ that I found relief from hot flashes + sleeplessness. I certainly prefer compounded natural hormones to any alternative.
